## Action Taken Report

- Workshops were conducted for teachers to facilitate the use of ICT tools, online teaching via video conferencing and e-materials.
- Teachers also use different student centric methods for teaching learning such as Video conferencing like Zoom. E-resources are also increased in the library for enhanced learning of students.
- Study material and related links of competitive exams along with e-books were also shared with students via Telegram.
- Our Institution also envisions to strengthen the interest of the students in sports. Ground facilities are made available throughout the college time to students.
- The institute ensures an eco-friendly campus for students. The students also participate in tree plantation to greenify the campus. Water conservation plant is also installed in the campus.
- Led tubes are installed to decrease energy consumption.
